TOUR

Goal International Public School, Manki, organized a school tour exclusively for teachers. The event was an exciting and enriching experience. As a part of the tour, we visited each class from Pre-KG to 9th standard to observe and appreciate the efforts of our teachers. We were impressed by the neatness, cleanliness, and organization of all the classes. The teachers had meticulously arranged the classrooms, including theme boards, numeracy boards, literacy boards, mic, and decorative elements. The competition was fierce, but the winners were: LKG-A (1st place), 7A and 7B (2nd place), and 3A class (3rd place), as voted by the teachers. This event motivated us to try new ideas and learn from each other's strengths.
