Bridge Course

Examination 2025-26

The bridge course exam was conducted in our school for students from 1st to 10th standard. A bridge course examination aims to bridge the gap between prior knowledge and future academic requirements. It is a primary purpose to assess students' understanding, identifying areas for improvement to ensure a smooth transition.

During the exam, clear instructions and guidelines were provided to students, and invigilators strictly followed the exam protocol.

WORLD ENVIRONMENT DAY

Goal International Public School, Manki, June 5:

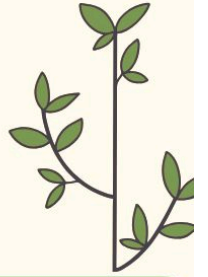

In a spirited celebration of World Environment Day, Goal International Public school organized a range of activities aimed at fostering environmental awareness among students and the local community. The highlight of the event was a thought-provoking street play performed by the students, emphasizing the harmful effects of plastic and urging the public to reduce its usage.

Within the school premises, a variety of environment-themed activities were conducted throughout the day. These included a tree plantation drive, where students and staff members collectively planted saplings around the campus, reinforcing the significance of greenery in combating climate change.

To encourage creative expression and deeper understanding of environmental issues, a drawing competition, slogan writing contest, and other interactive sessions were held. Students showcased their talent and awareness by producing artworks and slogans highlighting the importance of protecting nature and conserving resources.

The day concluded with a pledge taken by all participants to avoid plastic, conserve water, plant more trees, and spread awareness in their communities. The celebration was both educational and inspiring, leaving a lasting impact on everyone involved.
