During the exam, clear instructions and guidelines were provided to students, and invigilators strictly followed the exam protocol.

Dussehra Celebration

The Dussehra celebration at Goal International Public School in Manki was a vibrant and culturally rich event that brought together students and teachers to celebrate this auspicious festival. The program commenced with the worship of Goddess Sharada, the embodiment of knowledge and wisdom. Students and teachers gathered to offer prayers, and the puja was conducted with traditional rituals, including the lighting of lamps and the chanting of mantras. This created a serene and spiritually uplifting atmosphere that set the tone for the rest of the event.

Following the worship of Goddess Sharada, students and teachers came together to sing devotional songs. These songs, a blend of traditional and contemporary compositions, echoed through the school premises. The collective singing not only fostered a sense of unity but also enhanced the spiritual ambiance of the celebration.

One of the highlights of the Dussehra celebration was the Dandiya dance performance by the students. Dressed in colorful traditional attire, they showcased their talent and enthusiasm through energetic and synchronized dance routines. The rhythmic beats of the music and the vibrant moves created an atmosphere of joy and festivity.

The celebration was not only a festival observance but also a reflection of the school's commitment to nurturing cultural values and promoting unity among its students.
