FRUITS' DAY

Nowadays, many attractive and colourful junk food items are available in the market. Consuming junk food often makes children fall sick. To help children understand the importance of eating fruits, we at Goal International Public School celebrated *Fruits' Day* 🍎🍇🍌 on *10/10/2025 (Friday)* with great joy and enthusiasm.

Children brought a variety of fresh fruits and dry fruits. Many of them came dressed according to the colour code given for their respective classes. Some children spoke a few words about the fruits they had brought, while a few performed short skits on the same theme.

Teachers collected the fruits and prepared a *tasty and healthy fruit salad*. All the children enjoyed eating it happily. A *colouring competition* was also organised for the students.

The children thoroughly enjoyed the celebration.
Here are a few glimpses of the day!
